

# A Pattern for Living

Mrs Teresa Ann Roop, Edited by MR Ed Roop,  
Foreword by Mrs Rose Clevenger

The great adventure that begins with a humble admission that I need a personal relationship with God that can only come through personally trusting Him to save me from separation from God through the death, burial, and resurrection of Jesus Christ because of grace and love on His part. Salvation allows me to follow Jesus and to have a life-transforming relationship with God that transforms me into the image of Jesus Christ. This book explores that journey.
