Patterns is one of the most comprehensive drum methods available. Covering a wide range of materials, the books can be used in any order, or in any combination with one another. They are a must for developing the kinds of skills necessary for drumset performance. In Technique Patterns, the student is challenged with a variety of routines designed to increase technical facility in the hands and feet. Included are exercises on finger control, endurance, multiple-note playing, hand-foot combinations, and more.
