

Paul Lebowitz` 2013 Baseball Guide

Paul Lebowitz

Paul Lebowitz's 2013 Baseball Guide is an invaluable part of preparing and following the 2013 Baseball Season. More than a stat-based series of projections and old-school ranting about how things used to be, it's not meant to replace any other baseball books, but to add to them. With vital statistics, player information, additions, subtractions, fantasy suggestions, breakout players, predictions and essays, the book is packed with information you won't get anywhere else. Included are essays on such diverse topics as the Yankees \$189 million goal and accompanying decisions to avoid free agents, Torii Hunter's comments about the possibility of having a gay teammate, and the WAR vs Triple Crown argument of Mike Trout vs. Miguel Cabrera for the MVP. Paul Lebowitz's 2013 Baseball Guide is a must-have no matter what kind of fan you are.
