

Paul : His Life and Teaching

John McRay

The apostle Paul and his significance for the New Testament and Christianity is a perennial topic of interest, but few evangelical surveys of his life offer a truly holistic picture of the man and his world. Now available in trade paper, John McRays Paul explores the apostles preconversion days, missionary travels, and theological contributions. A specialist in archaeology, the author draws on his more than forty years of teaching experience as well as knowledge gained from extensive travels to the places Paul visited. Paul is a comprehensive and readable presentation of Pauls ministry and theology that weaves together historical backgrounds, archaeological discoveries, and theological themes.
