Paul on Paul

Dr Wilson Jay Tyree

Noted traveler, healer, preacher, and apostle Paul has been the subject of a myriad of books. Paul on Paul attempts to meld some of the things said by others with the thoughts of Paul, himself. None other, in history, has dealt with such ecstasy and tragedy, joy and pain, in the course of carrying the Good News to the Mediterranean world. Author of nearly half our New Testament, this scholar of Tarsus and Jerusalem aided the Lord he once tried to persecute out of existence in spreading the borders of the Kingdom and sharing its joy with a people who had no hope.
