

Paul the Book

The Village Carpenter, Prepared for publication
by Charles Lee Emerson

This book is dedicated to the family. You know who you are! We continue to love you! We continue to pray for you! We will see you in Heaven! This book is also dedicated to Natalie Forsythe one of our authors, who 3 years ago gave our business card to Joy Renee Blackburn another one of our authors, who has since become my wife after we published 4 of her books. We continue to marvel at The Mighty Hand Of God as He continues to move in our ministry, The Village Carpenter World Wide Ministries, Publishing House and Bible School and now Gods House International, which was founded by Sister Joy. God continues to show us that it is not age that He is concerned about... It is the obedience that we bring to Him as He continues to minister to us on a personal relationship so that we in turn can minister to others to bring them to Heaven with us. Dear Reader, We encourage you to seek for a personal relationship with Jesus who died on the cross and took all of our sins and covered them with His very own Blood so that we could be washed clean... To be white as snow, with out any condemnation. Amen. Hallelujah!
