

Paula the Waldensian (Webster's German Thesaurus Edition)

Inc Icon Group International

Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-German thesaurus at the bottom of each page, this edition of Paula the Waldensian by Eva Lecomte was edited for three audiences. The first includes German-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL or TOEIC preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or German speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in German in order to take foreign service, translation certification, Advanced Placement (AP) or similar examinations. By using the Websters German Thesaurus Edition when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in German or English. TOEFL, TOEIC, AP and Advanced Placement are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book. All rights reserved. Websters edition of this classic is organized to expose the reader to a maximum number of difficult and potentially ambiguous English words. Rare or idiosyncratic words and expressions are given lower priority compared to difficult, yet commonly used words. Rather than supply a single translation, many words are translated for a variety of meanings in German, allowing readers to better grasp the ambiguity of English, and avoid them using the notes as a pure translation crutch. Having the reader decipher a words meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. If a difficult word
