Inc Icon Group International

Ever need a fact or quotation on paying? Designed for speechwriters, journalists, writers, researchers, students, professors, teachers, historians, academics, scrapbookers, trivia buffs and word lovers, this is the largest book ever created for this single word. It represents a compilation from a variety of sources with a linguistic emphasis on anything relating to the term paying, including non-conventional usage and alternative meanings which capture ambiguities. The entries cover all parts of speech (noun, verb, adverb or adjective usage) as well as use in modern slang, pop culture, social sciences (linguistics, history, geography, economics, sociology, political science), business, computer science, literature, law, medicine, psychology, mathematics, chemistry, physics, biology and other physical sciences. This data dump results in many unexpected examples for paying, since the editorial decision to include or exclude terms is purely a linguistic process. The resulting entries are used under license or with permission, used under fair use conditions, used in agreement with the original authors, or are in the public domain. Proceeds from this book are used to expand the content and coverage of Websters Online Dictionary ([www.websters-online-dictionary.org](http://www.websters-online-dictionary.org)).
