

# Peace and Pancakes

Anne M Picard

Peace and Pancakes is a charming tale about a dragon, a gnome, a forest full of animals, and a rather unruly giant. It will entertain children of all ages, though it also has important lessons to teach us all about patience, communication, and understanding. Grendle, a young dragon, is given three lessons by an amazing teacher. As his spirit matures, he finds that he has developed the gifts to handle a difficult situation in the animal community, with the help of a very fine stack of pancakes! The beautifully illustrated book also comes with an imaginatively rendered CD, so that children can listen along again and again as the adventure unfolds.
