

Peace and Security Across the Taiwan Strait

Edited by Richard Clogg

The end of the Cold War has regrettably not brought an end to all the major confrontations of the last century. One such confrontation is the stand-off across the Taiwan Strait. Despite increasingly interwoven economic links between the Peoples Republic of China and Taiwan in recent years, the tension between the two has not dissipated. Tsang and a group of international experts examine the subject of peace and security across the Taiwan Strait and suggest models for peace.
