

# Peace and War and Peace

Mitchell Ginsberg

Peace and War and Peace: The Heart in Transformation offers poetic landscapes of the feeling, experiencing mind (the heart-mind): word drawings of this consciousness of ours and its transformations -- through peace and war, mundane joy and rage, agitation and calm, annoyance and good will -- to grounded and open-hearted understanding. Evoking life situations we experience and are impacted by, Peace and War and Peace in vignette sketches (lyrical poems) brings its underlying vision of life gently and firmly into focus with articulate, powerful specificity.
