

Peaceful Penetration (Classic Reprint)

A D McLaren

Excerpt from Peaceful Penetration What the world will be like after the war, the new adjustments which new conditions will necessitate, what pursuits and interests will come to an end and what others will take their place - for two years speculation on these subjects has been rife in every European country. But the following chapters would have been written if there had been no war. Before I witnessed Germans in Berlin, during those great summer days of 1914, giving free play to their dreams of indemnities to be exacted from stricken foes, and of the world-power which the mighty upheaval would inevitably bring them, I saw very distinctly certain dangers threatening our economic and national life. These dangers did not all lie on the surface of things. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
