

# Peacock and Quail : A Bird Book for Kids(tm)

Novare Lawrence

Peacocks are, to many, the most beautiful birds in the world. Possessing the second longest tail feathers among birds, they are a unique and special bird species. Quail are a distinctive looking bird, with a pear-shaped body. Many quail species have a feathery crown on their head which also makes them undeniably cute. Learn all about peacocks and quail in this book, their behaviors, their activities, and how they compare and interact with other birds and animals in nature. Color photographs capture the beauty and personality of these amazing birds. This book is a great learning and teaching resource for kids 8 to 108, providing an appreciation of nature and insights into the world of birds as it intersects with ours.
