

Peanut Butter Planet

Robin Robertson

With new medical findings showing that this delicious and economical power-house is actually nutritious - and can even help reduce cholesterol - peanut butter aficionados are eager to find sophisticated new recipes that make use of this sumptuous spread. Peanut Butter Planet introduces dozens of vibrant dishes from the worlds cuisines - from the spicy peanut sauces of Southeast Asia to the hearty stews of West Africa. Unique creations, such as Spicy Peanut Burgers, Linguine with Peanut Butter Pesto, and a decadent Peanut Butter Tiramisu are among the innovative recipes that veteran cookbook author and chef Robin Robertson provides. Sandwich-lovers will find not only the lunchbox classics of their childhood, but variations ranging from Elvis banana-studded favourite to a fabulous peanut butter wrap made with shredded carrots, celery, apple, and raisins. Peanut Butter Planet is for everyone who fell in love with peanut butter when they were kids - and love it to this day.
