

Pearson` Medical Assisting (General) VHS Videos

Pearson

For all courses within the medical assisting including clinical and administrative curriculum. If a picture paints a thousand words, imagine what video can do? Pearson Medical Assisting Videos help students learn the nuances and the details of many medical assisting skills. These realistic scenarios provide insight into both the proper and the improper methods to managing business situations. The student is armed with the knowledge and core skills to recognize performance issues and correct them BEFORE the student goes out on the job.
