

# Pearson Reader 2.0 Mathematics 9 (Access Card)

Amanda Rocchi

Collaborate. Assess. Learn Pearson Reader has been upgraded, with a new context for content. You will benefit from an enhanced interface with embedded, tracked assessment that gives you interactive access to questions from the student book and activity book, designed specifically to improve student outcomes. You'll also find links to a range of resources, such as online video, audio, interactive lessons, worksheets, case studies, weblinks and more, designed to save teachers time and to present content in a way that optimises student learning. Pearson Reader 2.0 is available online and also comes with an offline backup-Pearson eBook 3.0-so you can access the student book content digitally from anywhere. When you purchase this product, you will receive a printed card with an access code inside. With this code, you will be able to activate and gain individual access to your Pearson Reader via [pearsonplaces.com.au](http://pearsonplaces.com.au). Access to Pearson Reader 2.0 Mathematics 9 is by subscription to last you for the school year. From the point of activation, you will have access to the product for 15 months to ensure you can get maximum usage of it over the year and beyond.
