

Pearson Science New South Wales 8 Value Pack

Greg Rickard

The Pearson Science NSW series will not only save you time in implementing the NSW Syllabus for the Australian Curriculum, but its the only series that really engages your students. The series includes content and activities presented within the context of the three NSW Syllabus strands: Knowledge and Understanding, Working Scientifically and Learning Across the Curriculum. Content identified as `Additional in the NSW syllabus has been clearly differentiated from core content and is carefully placed in the flow of content.
