

The Patriot` History of Ireland (Classic Reprint)

Mary Francis Cusack

Excerpt from The Patriots History of Ireland I Have been asked to write a short, concise History of Ireland for the benefit of those who have not time to read a larger work, and for the use of schools, as an Introduction to Irish History. I have complied with this request but the reader should remember that it requires some care and thought to understand a history written with care and thought, and that, while stories about Ireland may amuse, and rudely-written rhymes may excite, it requires something higher, something of which Irishmen are specially capable, to enable them to like and to profit by what requires some study. This History is intended for thoughtful men and women, as well as for thoughtful boys and girls. It contains the result of many years careful and anxious study, given to the reader in the form in which, as I hope, it will be most easily understood and remembered. It is not intended to take the place of a larger History, nor is it intended for the senior classes in colleges for such use a larger work, containing more general information, given in the form best suited for students, is now ready. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
