

The Pawn

Skye Warren

Positively sinful, and outrageously sexy! Emotions run high and readers will be left gasping. - New York Times bestselling author Lisa Renee Jones Smart, dark, deeply sensual read with characters I fell in love with from the minute they walked onto the page! - New York Times bestselling author Carly Phillips The price of survival... Gabriel Miller swept into my life like a storm. He tore down my father with cold retribution, leaving him penniless in a hospital bed. I quit my private all-girls college to take care of the only family I have left. There's one way to save our house, one thing I have left of value. My virginity. A forbidden auction... Gabriel appears at every turn. He seems to take pleasure in watching me fall. Other times he's the only kindness in a brutal underworld. Except he's playing a deeper game than I know. Every move brings us together, every secret rips us apart. And when the final piece is played, only one of us can be left standing. Skye Warren's THE PAWN is a triumph of intrigue, angst, and sensual drama. I was clenching everything. Gabriel and Avery sucked me in from the first few paragraphs and never let go. - New York Times bestselling author Annabel Joseph THE PAWN is a full-length contemporary novel from New York Times bestselling author Skye Warren about revenge and seduction in the game of love. It's the first book in the brand new ENDGAME series.
