THE PEACE PROCESS

ATTRACT A STEADY STREAM OF CLIENTS
AND CREATE A THRIVING HOLISTIC PRACTICE

Build A Thriving Holistic Practice Without Losing Your Shirt, Your Sanity, or Your Soul Imagine waking up each day feeling as confident in your ability to promote your practice as you do about your ability to heal your clients. In The PEACE Process, marketing pro and holistic health zealot, Miriam Zacharias, shows you how to use her conscious method to promote and grow today's holistic, functional or integrative health practice. Miriam beautifully encapsulates her practical formula for over-coming often self-imposed obstacles to success so that practitioners can take tangible steps to fully realize their potential for healing. - Ronald L. Hoffman, MD Practitioners who follow Miriam's plan will not only achieve success, but perhaps even more importantly, will re-experience the love, excitement and passion with which they started their professional journeys. - Lise Alschuler, ND The Peace Process is your business bible that will instruct you on every level - from novice to expert - on how to put your practice on the map, and send patients through your door, right to you. - Ted Haun, CCN Miriam has a great way of making all this information understandable and usable for those motivated to take their message to the masses. - Gregg Stern, DC
