

The Peacemaking Pastor : A Biblical Guide to Resolving Church Conflict

Alfred J Poirier

Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation, says pastor and experienced mediator Alfred Poirier. The result is pastors trained in biblical exposition, well-ordered worship, and good theology, but with little practical know-how about one of the most important functions they will be expected to perform: conflict resolution. The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation. Poirier, chairman of the board of Peacemaker Ministries, shows pastors the importance of a reconciliation ministry, gives them a theological framework for peacemaking, and provides practical tools for facilitating the peacemaking process. Written by a pastor for pastors, this insightful book will encourage and equip seminaries and ministry leaders in their original calling—promoting a culture of peacemaking in the church.
