

The Pearl of Dream Study

Del Hall

Cultures for thousands of years have looked to their dreams as a source of Divine guidance. This book will teach you how to nurture this sacred connection with God and bring more abundance into your life. God communicates to you through dreams as a gift of love to provide guidance and insight into all areas of your life. Career choices, family relationships, health issues, and more can be improved by learning how to invite, remember, and better understand your dreams. The wisdom contained within dreams has the power to set you free. Dreams provide opportunities for healing, offer warning, answer prayers, allow you to visit with loved ones who have passed, and shed light on the reasons that keep you from experiencing more joy and love in your life. Dreams also help you work through karma, overcome fear of death, find your true purpose, and recognize your divinity as Soul - an eternal spiritual being. Ultimately dreams allow you to experience the Light and Love of God and to meet spiritually with Gods Prophet who can show you the way home to God. You are loved by God and the pearl of dream study is knowing this through direct personal experience.
